*Wolf Blass the man - a living legend of Australian wine.*

*After receiving his winemaking qualifications in his home country of Germany, Wolf arrived in Australia in 1961. In an illustrious career spanning over 50 years Wolf has developed many close friendships in the Australian wine community.*

*When, with his late wife Shirley he decided to create the Wolf Blass Gallery and Museum, he contacted many of those friends seeking special small batches of wine suitable for the Wolf Blass Museum Selection label.*

*Ably assisted by Wolf Blass Foundation trustee Brian Walsh, senior wine judge and former Director of Winemaking at Yalumba, together they rigorously assessed many wines before making the selections available now - by the glass or by the bottle.*

*Please enjoy!*
