**WOLF BLASS - THE MAN
A LIVING LEGEND OF AUSTRALIAN WINE**

Wolf arrived in Australia in 1961, after receiving his winemaking qualifications in his home country of Germany. In an illustrious career spanning nearly 50 years, Wolf has developed many close friendships in the Australian wine community.

When, with his late wife Shirley, he decided to create the Wolf Blass Gallery and Museum he contacted many of those friends seeking special small batches of wine suitable for the Wolf Blass Museum Selection label.

Ably assisted by Wolf Blass Foundation trustee Brian Walsh, senior wine judge and former Director of Winemaking at Yalumba, together they rigorously assessed many wines before making the exclusive selections available now - to taste, and to enjoy by the glass or bottle.

Cheers! Ein Prosit!

GULLYVIEW ESTATE

Located in Leasingham, in the southern Clare Valley, Gullyview Estate sits among some of the region's most prized vineyard country. The vines are planted on classic Clare Valley Terra Rossa soils - red clay over limestone - at elevations ranging from 350 to 450 metres above sea level. These conditions, combined with the region's renowned warm days and cool nights, create the perfect environment for producing wines with natural freshness, structure, and character. At Gullyview Estate, our focus is on two varieties that define the Clare Valley - Riesling and Cabernet Sauvignon. Our approach is simple: let the vineyard and the variety speak for themselves.

\$15 Tasting Flight offers 3 x 50ml pours of:
